Dear Parent/Guardian

**Year 10 English Intervention**

The English department will be starting intervention sessions for all students in Year 10 from 6<sup>th</sup> October 2021. The interventions will help students to revise, consolidate and improve their understanding of the texts required for GCSE English Literature.

Students will be able to choose from the following interventions:

- *A Christmas Carol*
- *An Inspector Calls*
- *Romeo and Juliet*
- Poetry

Each week the specific focus area will be shared with students and they can sign up for the intervention, during their lesson. They are also welcome to attend on the day.

Interventions will:

- Take place each Wednesday from 3.00pm to 4.00pm
- Help to prepare students for the GCSE English Literature examination

Department interventions have been extremely successful in previous years and we would highly recommend that students attend and choose the option that will help them achieve most. If a student is unsure of which intervention will help them to progress they can ask their English teacher, who will make suggestions based on their classwork, homework and assessments.
