Dear Parent/Guardian

Ofqual Examination Guide

We have been asked by Ofqual, the examination regulator, to share the attached booklet with you, which outlines the procedures to be followed for the examination process in the summer. The booklet identifies key dates as to when the examination results will be issued and how they will be awarded.

I hope you find this useful, but please be assured that the staff here will do their very best to ensure your child meets their full potential, as long as they have the evidence for us to award the centre assessed grades.

I know this is not an easy situation and your child may be anxious, but please be assured we are here to support them.

Yours faithfully

Miss K Hayward
